## Boston Gear (Altra) FP610-6 Plain Sleeve & Flanged Bearings

Bearing No. FP610-6

|                              |                  |
|------------------------------|------------------|
| d                            | 3/8 in           |
| groove/plug type:            | None             |
| D                            | 5/8 in           |
| operating temperature range: | -400 to +550 ° F |
| overall length:              | 3/4 in           |
| maximum pv value:            | 20000            |
| D                            | 7/8 in           |
| maximum p value:             | 1000 psi         |
| sleeve bearing type:         | Flanged Bearing  |
| maximum v value:             | 400 fp/min       |
| flange width:                | 1/8 in           |
| material specification:      | BOSTonE F-1      |
| bearing material:            | PTFE             |
